

Grants for Metropolitan New York

With total assets of just over \$2 billion, The Harry and Jeanette Weinberg Foundation is one of the largest private foundations in the United States. The Weinberg Foundation provides approximately \$100 million in annual grants to nonprofits that provide direct services to low-income and vulnerable individuals and families, primarily in the US and Israel. Grants are focused on meeting basic needs and enhancing an individual's ability to meet those needs with emphasis on older adults, the Jewish community, and our hometown communities of Maryland, Northeastern Pennsylvania, and Hawaii.

Over the past five fiscal years, the Weinberg Foundation has approved a total of \$21.9 million in grants throughout metropolitan New York. Of the total amount of grants approved, \$18.6 million has been paid to date. These grants are reflected in the summary below.
